## A BRIEF HISTORY OF THE COLLEGE

D.A.V. P.G. COLLEGE, is a premiere institution situated between the Pious Ganga and Sacred Yamuna in Bulandshahr. It was established before 54 years in 1956 by the dedication & hardwork of honorable and committed social workers with keeping in mind the objective of Swami Dayanand Saraswati. Mission of college is **“to provide quality Education to all irrespective of Caste, Creed, Socio-Economic Status and upliftment of the poor and downtrodden”**.

It takes a special place in the list of affiliated colleges of Ch. Charan Singh University, Meerut and also in the list 2-F of University Grant Commission (UGC). It is always towards continued success. Without considering any differences among religions, castes, categories etc., College provides a high level education to massive students.

### Other Best Practices

- \* Other avenues of learning provided for the students are Projects/dissertation, internships, field training and seminars.
- \* Student evaluation
  - o Continuous assessment in theory, practical and fieldwork.
  - o Internal marks account for 50% from one or two tests and one or two assignments and final examination 50%
  - o Assignment consists in the form of written, oral presentation and skit presentation.
- \* Internet facilities are available to students of some courses.
- \* Our College is an enlarged and extended family. It is not mere teacher and student contact but *Guru and Sishya* (disciple) warm relationship that exists here.

### Admission process and student profile

- \* In our College the admission procedure is well-defined. The admission to UG and PG programs is on the basis of merit and admission to PhD programs is on the basis of RET.
- \* In the current year 2010 admission, student profile indicates the College students' composition is of diverse nature.
- \* Our College's catering of different background and culture of student community and gender equity.

## **Teaching-Learning process**

- \* The discussion methodology is adopted in the teaching that leads to better retention and application of knowledge.
- \* In our College teaching aids are used to enhance the degree of learning and not to cover up teacher's deficiencies.
- \* In PG programs, one of the internal assessments is the evaluation of subject presentation by students; this makes the students understand the practical application of the subject.

## **Teacher quality**

- \* In our College 95% of the permanent teachers' community has **PhD qualification**. The recruitment is based on the UGC norms, merit and interview.
- \* Our teaching community has published research papers in the international and national journals.
- \* Synonymous to "effective teacher" our College teachers have the quality in Content knowledge, Teaching experience, Professional certification and overall academic ability.

## **Evaluation process and reforms**

- \* The continuous internal assessment system comprises of components like internal tests, take-home assignment, seminar, periodic evaluation of practical, skit presentation, and project/field work in an objective manner.

## **Best Practices in teaching-learning and evaluation**

- \* Students are subjected to continuous assessment by way of internal assessment tests, seminars, quiz and home assignments.
- \* Student evaluation of teachers is carried out in every semester.
- \* The orientation programs are conducted for the newly-admitted students in order to sensitize them to the various, on campus facilities, regulations, exam procedures etc.

- **Criterion-wise Evaluative report**
- **Evaluative report of the Departments**

## **SELF-STUDY REPORT**

**2010**

Submitted to  
**The National Assessment and  
Accreditation Council**

## **Part II**

### **(A) EXECUTIVE SUMMARY**

## EXECUTIVE SUMMARY

D.A.V. P.G. COLLEGE, is a premeire institution of Bulandshahr and a constituent college of Arya Vidhya Sabha, Bulandshahr, the largest non-government educational organization. This college was established in 1956. Mission of college is “to provide quality Education to all irrespective of Caste, Creed, Socio-Economic Status and upliftment of the poor and downtrodden”.

College offers both undergraduate and postgraduate programmes under 2 streams; Art and Science. Science stream programmes available are **B.Sc. and M.Sc.(Physics, Chemistry, Maths)** and Arts stream programmes available are **B.A. and M.A.(History), M.A.(English), M.A.(Hindi), M.A.(Sanskrit), M.A.(Political Sc.), M.A.(Sociology), M.A.(Economics)**. All the programmes available in the college are Aided except **M.A.(Sociology), M.sc.(Physics),M.sc.(Chemistry) and M.Sc.(Maths)**.

Students enrolled in the college constitutes from every strata of the society ranging from SC, ST, OBC and GEN. To promote education to the most the back ward strata of the society college provides a reservation quota of **21% to SC students, 02% to ST students, 27% to OBC and 50% to GEN students**. And college ensures a bias-free admission through a transparent admission process.

Also the college staff, both teaching and non-teaching constitutes members from every strata of the society, SC, ST, OBC and General.

A brief summary of the **Best Practices** followed in the college under the seven criterions as mentioned in the NAAC Report namely : “**Curricular Aspects, Teaching-Learning Evaluation, Research, Consultancy and Extension, Infrastructure and Learning Resource, Student Support and Progression, Governance and Leadership and Innovative Practices**” is :

- Curriculum is three-dimensional
- Core subject-oriented
- Career opportunity generating
- All-round personality development programmes are **application-oriented** which generates employment opportunities
- At the end of each semester feedback on curriculum is collected and analyzed and has been discussed in the teachers’ meeting and the outcome forwarded to Academic Council.
- Teacher’s feedback obtained in the teacher’s regular meeting, which is conducted in each semester.

- Other avenues of learning provided for the students are Projects/dissertation, internships, field training and seminars.
- Student evaluation
  - Continuous assessment in theory, practical and fieldwork.
  - Internal marks account for 50% from one or two tests and one or two assignments and final examination 50%
  - Assignment consists in the form of written, oral presentation and skit presentation.
- Internet facilities are available to students of some courses.
- Our College is an enlarged and extended family. It is not mere teacher and student contact but *Guru and Sishya* (disciple) warm relationship that exists here.
- The discussion methodology is adopted in the teaching that leads to better retention and application of knowledge.
- In our College teaching aids are used to enhance the degree of learning and not to cover up teacher's deficiencies.
- In PG programs, one of the internal assessments is the evaluation of subject presentation by students; this makes the students understand the practical application of the subject.
- In our College 95% of the permanent teachers' community has **PhD qualification**. The recruitment is based on the UGC norms, merit and interview.
- Our teaching community has published research papers in the international and national journals.
- Synonymous to "effective teacher" our College teachers have the quality in Content knowledge, Teaching experience, Professional certification and overall academic ability.
- Students are subjected to continuous assessment by way of internal assessment tests, seminars, quiz and home assignments.

- Student evaluation of teachers is carried out in every semester.
- The orientation programs are conducted for the newly-admitted students in order to sensitize them to the various, on campus facilities, regulations, exam procedures etc.
- At present 69 students are pursuing research for their Ph.D program.
- Existing infrastructure consists of spacious class rooms a seminar hall which can accommodate 60 – 80 persons, well-furnished library, audio-visual aids, STD facility, Xeroxing facility, round the clock internet connectivity to 02 computers terminals, Administration Block and Academic Block.
- Whole campus is green with lots of trees and plants. Each and every building is surrounded by a beautiful garden.
- The College provides uninterrupted water and power supply to the campus inmates.
- Academic Complex to accommodate all the faculty departments in one building.

## **Maintenance of infrastructure**

There is a separate committee called Building Committee, which looks after the development and maintenance of infrastructure of the campus. Cleaning & Aesthetics, Electricity & Water Supply, Garden. Each committee consists of staff and workers to look after their respective section. All the staff of each committee meets regularly to discuss the problems in maintaining the infrastructure and solution for the same.

## Library as a learning resource

- The College library supports the teaching, learning and research activities. We run help desk and enquiry services at library counter for the College's students.
- The Library and Learning Resource Center is dedicated to support the activities and programs of the College as they are facilitating learning, teaching, research and consultancy to reinforce users' learning towards lifelong learning.

## ICT as learning resources

College Website: [www.davpgcollegebsr.org](http://www.davpgcollegebsr.org)

- College Website regularly publishes admission notices, vacancies, memorandums, etc.
- College Website is updated regularly to incorporate changes in seats available for admissions, vacancies in college, and changes in curriculum.
  - Students can freely meet their teachers for academic counseling at any time. The course teacher monitors the academic progress of the students and counsels them.
  - Students of our College are advised to have no reservation to contact the teachers to discuss any of their problems like physical, emotional or intellectual. Teachers help them with ever-smiling face and counsel them properly.
  - Students participate in NCC/NSS camps with their teachers. It makes the students raise their level of confidence.
  - Committee system (non-statutory) comprising faculty, staff, members of statutory bodies ensures ground-level preparation, implementation and monitoring.

- The College has a perspective, academic/financial annual plan and a calendar for academic – administrative functioning.
- The Board of Management, Finance Committee evolves strategic planning.
- The College ensures the following: Academic calendar, its review, monitoring.
- Administration and finance as per Bye-laws and Administrative Manual.
  - The administration is promoting the use of ICT tools and computers in its administration.
  - The examination work with reference to student data, marks entry and results are all computerized.
  - The teaching and non-teaching staff is recruited as per the provisions of University
- Bye-laws and UGC guidelines.
  - The staff members are subjected to appraisal and evaluation (self, student and employer).
  - College is able to give good governance, transparent and accountable administration, responsive staff service, commitment to welfare and growth of all stakeholders.
- College has a well-defined vision and mission statement. Accordingly it has formulated the action plan. It has ensured definite organizational framework, perspective planning, strategic development, efficient human resource development, resource mobilization, effective audit mechanism,

dynamic leadership, decentralized administration, delegation of powers, grievance redressal mechanism and welfare measures.

- The quest for quality leads to creative and innovative academic efforts.
- Academic quality assured through voluntary internal checks and evaluation.
- Stakeholders like students, staff, management committee, parents and educationalists are included to formulate and evaluate curricular, teaching and testing programs to achieve academic excellence.
- College has been maintaining very good and cordial relationship with all the stakeholders and neighborhood. It has encouraged active participation of stakeholders in all its deliberations. The stakeholders have reposed faith in the progress, accountability of the College.

### **B) Criterion-wise Evaluative Reports**

# Criterion I: Curricular Aspects

## 1.1 Curriculum Design and Development

1.1.1 State the vision and mission of the institution and how it is communicated to the students, teachers, staff and other stakeholders

### \* Vision

The Vision of D.A.V. P.G. College, **“Empowerment through Higher Education to all strata of society”** is to bring the light of Education to even the last man of the society.

### \* Mission

The Vision of D.A.V. P.G. College, **“Quality Education to all irrespective of Caste, Creed, Socio-Economic Status and upliftment of the poor and downtrodden”**.

The vision and mission of the institution is communicated to all via college prospectus and annual college magazine.

1.1.2 How does the mission statement reflect the institution’s distinctive characteristics in terms of addressing the needs of the society, the students it seeks to serve, institution’s traditions and value orientation?

The mission statement reflects the institution’s distinctive characteristics as follow:

### \* Intellectual

- Through quality higher education to students by offering relevant courses and programs facilitating the creation of knowledge capital, knowledgeable and skilled human resource to accept the social and scientific challenges and responsibility at regional, national and global level.
- By facilitating creative writing.

**\* Training and Self-Development**

- Organisation of Orientation/Refresher Courses, Seminars, Symposiums on Curriculum Development, Examination Reforms, Quality Initiatives, and Management issues.
- Deputation of teachers, non-teaching staff and students for personality development and capacity-building programs.
- Short-term training programs to non-teaching staff on education administration, computerization, and examination methods.

**\* Access and Equity**

- Open to all persons of whatever sex, race, religion, creed, caste, class and geographical areas of the world. No barrier to religious belief or occupation in admitting or appointing members, students, teachers, workers or in any other connection whatsoever.

**\* Community and National Development, Environment and Value-Orientation**

- Provisions for Publication, Environmental Studies and Department forums for Community development and Extension activities.
- Inculcation of the practice of dignity of labour, sustainable development.
- Personality development, Value orientation through special lectures, workshops.
- Liaison with NGOs for Community and National development projects and programs.

**\* ICT Introduction**

- Provision of computer education, Internet, usage of ICT tools in teaching, learning and evaluation works.
- Training in both basics and advanced skills in computer usage and applications.

- Computerization of library, examination work and database management is under progress.
- College Website.

1.1.3 Are the academic programs in line with the institution's goals and objectives? If yes, give details on how the curricula developed / adopted, address the needs of the society and have relevance to the regional / national and global trends and developmental needs? (access to the Disadvantaged, Equity, Self development, Community and National Development, Ecology and environment, Value orientation, Employment, ICT introduction, Global and National demands and so on)

Yes, the institution's goals and objectives are in line with the academic program. Details have already been mentioned above.

1.1.4 How does the curriculum cater to inclusion/integration of Information and Communication Technology (ICT) in the curriculum, for equipping the students to compete in the global employment markets?

As per the new University norms, in every post graduation stream at least one subject has been integrated with computers, with stress being laid on practical knowledge.

And in today's Global employment market, knowledge of computer is an inevitable skill.

1.1.5 Specify the steps undertaken by the institution in the curriculum development process. (Need assessment, development of information database from faculty, students, alumni, employees and academic experts, and formalizing the decisions in statutory academic bodies.)

Curriculum designing is done at the University level but the feedback obtained from students and employees on the curriculum design is sent to University through proper channels. ✓

## 1.2 Academic Flexibility

1.2.1 What is the range of program options available to learners in terms of Degrees, Certificates and Diplomas? Give the cut off percentage for admission at the entry level

Following is the range of program options at University Departments.

Course	Cut-Off Percentage(%)		
	SC/ST	OBC	General
B.A.-I	42	41.2	47.6
B.Sc.-I	53	58.8	66.2
M.Sc.(Physics)	43.8	38.1	51.5
M.Sc.(Chemistry)	44.3	48.8	55.8
M.Sc.(Maths)	34.8	34.9	44.5
M.A.(Economics)	39.3	36.0	48.8
M.A.(History)	40.7	35.9	42.4
M.A.(English)	41.3	49.7	56.7
M.A.(Hindi)	38.5	40.7	40.3
M.A.(Political Sc.)	36.8	37.8	45.6
M.A.(Sociology)	38.2	39.9	47.3
Ph.D.	U.G.-50 P.G.-50	U.G.-50 P.G.-55	U.G.-50 P.G.-55

1.2.2 Give details on the following provisions with reference to academic flexibility, value addition and course enrichment:

- a) Core options b) Elective options c) Add on courses d) Interdisciplinary courses  
 e) Flexibility to the students to move from one discipline to another f) flexibility to pursue the program with reference to the time frame (flexible time for completion)

**a) Core options**

No Core Options are available in the college.

**b) Elective options**

All the disciplines provide the facility of elective option.

**c) Add On Courses**

College offers Physical Education and Environmental Studies at Graduation level

**d) Interdisciplinary Courses**

No Interdisciplinary Courses are available in the college.

**e) Flexibility to the students to move from one discipline to another**

No such flexibility is provided to students in the college.

**f) Flexibility to pursue the program with reference to Time Frame**

Category	Programs	Duration	
		Minimum	Maximum
UG	BSc (Physics, Chemistry, Maths), BA (Hindi, English, Economics, History, Political Science, Sociology, Sanskrit, Physical Education)	3 Years	6 Years
PG	MSc (Physics), MSc (Chemistry) and MSc (Maths), MA (Hindi), MA (Eng), MA (Sanskrit), MA (History), MA (Economics), MA (Political Sc.), MA (Sociology)	3 Years	6 Years

- 1.2.3 Give details of the programs and other facilities available for international Students (if any)

The program options are available as per the University norms.

- 1.2.4 Does the institution offer any self-financed programs in the institution? If yes, list them and indicate how they differ from other programs, with reference to admission, curriculum, fee structure, teacher qualification and salary etc.

Yes, college offers 4 self-financed programs namely M.A. (Sociology), M.Sc. (Physics), M.Sc. (Chemistry) and M.Sc. (Mathematics).

There is no change in admission procedure, curriculum, teacher qualification and salary but the fee structure for the self-financed programs is different from other programs

### Table of Aided Courses :

Aided	Fee-Structure			
	SC/ST		OBC/General	
	Boys	Girls	Boys	Girls
B.A.-I	163	163	689	557
B.A.-II+III	133	133	659	527
B.Sc.-I	263	263	885	753
B.Sc.-II+III	133	133	755	623
M.A.-I	163	163	693	513
M.A.-II+III	133	133	663	483

## Table of Self Financed Courses :

Self Financed	Fee-Structure			
	SC/ST		OBC/General	
	Boys	Girls	Boys	Girls
M.Sc.(Physics/Chem) -I	613	613	8823	8823
M.Sc.(Physics/Chem) -II	133	133	8343	8343
M.Sc.(Maths)-I	613	613	4359	4359
M.Sc.(Maths)-II	133	133	3879	3879
M.A.(Sociology)-I	613	613	3059	3059
M.A.(Sociology)-II	133	133	2579	2579

### 1.3 Feedback on Curriculum

1.3.1 How does the University obtain feedback

- from a) students
- b) alumni
- c) employer
- d) community
- e) academic peers
- f) industry
- g) parents

College obtains feedback from Students and Employers in a prescribed Performa regarding courses, classes & other facilities.

1.3.2 How are the above feedback analyzed and the outcome / suggestions used for continuous improvements, and communicated to the affiliating university for appropriate inclusion?

Feedback is obtained in a prescribed Performa on the curriculum, teaching-learning-evaluation, teachers, facilities, support services and overall learner centric issues. The data is analyzed by a panel of senior teachers, headed by the Principal. The outcome is made available to the Board of Studies in University.

### 1.4 Curriculum Update

1.4.1 What are the frequency and the basis for syllabus revision and what are the major revisions made during the last two years?

Syllabus revision is made as per the University norms. Last major revision was made in the academic year 2010-2011.

1.4.2 How does the institution ensure that the curriculum bears a thrust on core values adopted by NAAC?

Core values adopted by NAAC and how the college's curriculum bears a thrust on these values is mentioned below :

(i) **Contributing to National Development** : College offers NSS and NCC programs as a part of academic curriculum. Also college frequently organizes social awareness programs like, Blood Donation camps, National Literacy Awareness camps, Go Green Camps etc. All these social activities helps in contributing to national development and helps students become more socially responsible

(ii) **Inculcating a Value System Among Students** : College offers academic syllabi which integrates social, cultural, economic and environmental values. Also extra-curricular activities, co-curricular activities, seminars, activity camps etc. being organized by the college also helps in development of a Value System among students.

(iii) **Promoting the Use of Technology** : As per the new norms of University, ICT (Information and Communication Technology) has become a part and parcel of every particular syllabi. This helps students to become aware of latest technological developments going on in their subject streams. Computerization of college records has already been done. Also ICT literacy workshops are being organized for the teaching and non-teaching staff.

(iv) **Fostering Global Competencies Among Students** : To make students able to face Global competition, introduction of ICT as an integral part of syllabi has already been applied. Organization of seminars, symposiums on latest skill developments required for today's industries, also helps students in preparing themselves for Global competitions.

- 1.4.3 Does the institution use the guidelines of statutory bodies (UGC/ AICTE / State Councils of HE and other bodies) for developing and/or restructuring the curricula?

Restructuring the curricula is done at the University level and the college applies the changes in curricula as per the University norms.

- 1.4.4 How are the existing courses modified to meet the emerging/ changing national and global trends?

The existing syllabi and design of courses in all the faculties are revised regularly based on need assessment, feedback, thrust areas, model curriculum of UGC to make the curriculum meet the changing needs of Global market. Thus, there is a definite modification in curricular design, syllabi and pedagogy.

For example, according to latest modification in curriculum design done by the University, ICT has become an indispensable part of the syllabus.

## 1.5 Best Practices in Curricular Aspects

1.5.1 What are the quality sustenance and quality enhancement measures undertaken by the institution during the last five years in curricular aspects with reference to curricular design and development / academic flexibility / feedback from stake holders / curriculum update?

- \* Equal thrust is given to all level of courses based on relevance and global requirements.
  - \* Regular updating of curriculum on yearly basis, based on need, feedback, model conceived by UGC/AICTE/International curricula, industrial needs, students expectations and societal needs.
  - \* Implementation of Semester system at PG level.
  - \* Feedback and its analysis obtained from all the students and employers.
  - \* Thrust to ICT enabled courses, ICT competence, multi-skill development, flexibility to slow learners and challenges to advanced learners.
  - \* Project work for students.
  - \* Continuous evaluation of students through internal assessments.
  - \* Curriculum update with emphasis on knowledge, skills, global competencies leading to employability.
  - \* Some course are self financed and also affordable.
  - \* College aims at Self-reform.
- Acquisition of knowledge is no doubt, good. Still a person's worth is not judged by the amount of knowledge acquired, but by the **Character-shaping Education**.

1.5.2 What best practices in 'Curricular Aspects' have been planned/ implemented by the institution?

Best practices in "Curriculum Aspects" implemented by the college are :

- Semester System at PG level.
- Regular Internal Assessment through timely Tests and Quiz.
- Project Work as a part of Internal Assessment.
- Introduction of ICT as a part of curricula.

# Criterion II: Teaching – Learning and Evaluation

## 2.1 Admission Process and Student Profile

2.1.1 How does the institution ensure wide publicity to the admission process?

- \* **Ensures wide publicity in a planned manner.**
- Admission notification is published in leading national and regional daily newspapers.
- Admission notification is hosted on College Website.
- The notification contains detailed information about number and range of courses, eligibility, process of admission and academic as well as support facilities.
- Prospectus provides all the academic, administrative and financial aspects related to admission process and it is made available to students at the time of admission.

2.1.2 How are the students selected for admission to the following courses?

- a) General
- b) Professional
- c) Vocational

a) **General courses:**

- For general PG courses; MSc (*Chemistry*), MSc (*Physics*), MSc (*Maths*), MA (*Hindi*), MA (*English*), MA (*Economics*), MA (*History*), MA (*Political Science*), MA (*Sociology*), the admission is based on merit at the qualifying examination cum reservation.

- For general UG courses; BSc (Physics, Chemistry, Maths), BA (*Hindi, English, Economics, History, Political Science, Sociology, Sanskrit, Physical Education*), the admission is based on merit at the qualifying examination cum reservation.

**b&c)** There are no Professional and vocational courses available in the institution.

2.1.3 How does the institution ensure transparency to the admission process?

**\* Ensures Transparency as under :**

- College follows academic calendar of events as issued by the university.
- Preparation of merit gradation list and its notification.
- The selection is through committee systems and approval of authorities.
- The selected candidates lists are announced on the notice boards as well as on the Website of the college.
- Thus transparency is ensured from the stage of notification till the completion of admission process.

2.1.4 How do you promote access to ensure equity?

- a) Students from disadvantaged community
- b) Women
- c) Differently-abled
- d) Economically-weaker sections of the Society
- e) Sports personnel
- f) Any other (specify)

**Strategies adopted to create access are as follows:**

**\* Through Reservation Policy**

- Access is ensured to these marginalised groups through the total implementation of reservation-cum-merit as per the UGC order. At present the reservation quota is as follows:

SC 21%, ST 02%, OBC 27% and GEN 50%.

- Reservation is ensured at all levels of admission namely UG degrees, PG degrees and PhD students.
- a) **Disadvantaged Community:** There is reservation for students belonging to disadvantaged community as per UGC notifications.
- b) **Women:** For women, there is no separate reservation for admission of women candidates but they are provided with equal opportunity.
- c) **Differently Abled:** As per Govt. of India directives, seats are earmarked for the differently-abled students in the admission.
- d) **Economically Weaker Sections of the Society:** Students allowed to fill scholarship form having their parental income less than One Lakh.
- e) **Athletes and Sports Persons:** Weightage is given as per state government/University rules to students based upon the excellence of the student in athletics or sports activities at regional or national level.

## 2.2 Catering to Diverse Needs

- 2.2.1 Is there a provision for assessing student's knowledge/ needs and skills before the commencement of the teaching program? If yes, give details on the strategies of the institution to bridge the knowledge gap of the incoming students for enabling them to cope with the program to which they are enrolled.

The performance of students in the first and second internal tests which are a part of continuous internal assessment also helps in understanding the students' level of understanding of the subject.

2.2.2 How does the institution identify slow and advanced learners? Give details on the strategies adopted for facilitating slow and advanced learners.

The advanced learners and slow learners of a subject are identified by the faculty concerned based on their performance in CIA, and Semester-end examination. They are also identified based on their active participation, involvement, performance in the class room/practical hall dynamics. Accordingly, subject-wise, paper-wise, practical-wise strategies are adopted.

**\* Specific strategies for the Advanced Learners:**

- Provision of additional learning – reference material – Books, Review Articles and Reports.
- Participation in Problem Solving Exercises.
- Student Project Work based on theoretical data/practical work/case studies.

**\* Strategies for slow learners:**

- Tutorials, discussions, interactions and remedial coaching.
- Concept clarification and problem solving exercises.
- Provision of simple but standard lecture notes/course material.
- Revision of topics and practical (not as punishment but as an amelioration method).
- Steps to enhance their communication skills, art of reading – learning.
- Monitoring their progress at every CIA and semester-end examinations.

2.2.3 Does the institution have a provision for tutorials for the students? If yes, give details.

YES. There is a formal provision for tutorial classes to help the students to overcome their difficulties, to solve problems as well as to go deep into the subject.

2.2.4 Is there a provision for mentoring of students or any similar process? If yes, give details.

**YES.** There is a Career Counseling Cell for academic and personal guidance to the students.

2.2.5 How does the institution cater to the needs of differently-able students?

For differently-able students, institution follows strategies already mentioned above in 2.4.1 (b).

### **2.3 Teaching-Learning Process**

2.3.1 How does the institution plan and organize the teaching-learning and evaluation? (Academic calendar, teaching plan and evaluation blue print etc.)

**\* The College strictly follows an Academic Calendar issued by the University for all its academic processes:**

**\* Institutional planning and organization of Teaching-Learning-Evaluation (TLE) schedule into total scheme of Academic Calendar is mainly based on three important provisions. They are as follows:**

- i. The Regulations of each course (UG or PG) specify the frame work for academic schedule – TLE. Framework contains the number of Semesters, working/teaching days, number of subjects – papers to be taught, hours of instruction per paper, practical, method of teaching and learning (practical, theory, field work etc., method of CIA, Semester-end examinations, Weightage for CIA & Semester-end examinations and method of assessment & declaration of results.
- ii. The Board of Studies prescribes the detailed syllabus for a subject based on provisions of Regulations.
- iii. The Evaluation section, based on their logistics, prepares the time frame for conducting examinations as exam schedule, evaluation schedule, tabulation schedule, result announcement schedule, marks card, ledger

submission schedule .

- \* Based on these three major provisions, as well as the steps followed for preparing an annual calendar, teaching, learning and evaluation schedule is planned, organized and implemented
- \* This systematic step provides, in advance, the need for preparation towards “TLE” by all stakeholders.
  - Students would know the academic program properly in advance (teaching days, learning days, evaluation days) and also the components to be learnt and to write examination.
  - Teachers would know the time frame for teaching – learning process and ensure the total attention for the completion of syllabi and possible revision.
  - Examination authorities and examiners to know the time frame for completion of the process of evaluation and results.
  - Examination section also announces its calendar of events – examination time table, evaluation days, tabulation days, announcement of results, date for revaluation, re-totaling, photocopy provision and grievance redressal if any.
  - Thus, the systematic planning, organization and implementation of teaching – learning – evaluation is possible within the total scheme of College schedule. It is rational, realistic and scientific.

2.3.2 What are the various teaching-learning methods (lecture method, interactive method, project-based learning, computer-assisted learning, experiential learning, seminars and others) used by the teachers? Give details.

- \* All the UG and PG courses in the College use the lecture method as a first means to introduce the topic, base, theories, concept elaboration and depth of subject.

- \* The quality and quantum of the lecture methods and learning strategies (lecturing, discussion, group discussion, question answers, case studies, role play, illustrations, and special lectures) depend upon the topics being dealt with.
- \* Most of the courses have practical sessions and projects in their curricula, besides the usual class room interactions.
- \* A few departments provide instructional materials to the students for easy understanding the concepts and to follow up action.
- \* Team project works, assignments, case studies, preparation of charts, models, quiz programmes are also followed.

2.3.3 How is 'learning' made student-centric? What are the institutional strategies, which contribute to acquisition of life skills, knowledge management skills and life long learning?

- \* The learning process is student-centric in this College.
- \* The students of the courses MSc (*Physics, Chemistry and Math*), MA (*Economics, History, Political Science, Sociology, Hindi and English*) undertake project work, where self- learning by students is core of the work.
- \* Such activities contribute to self-management of knowledge development, skill formation in the students and provides requisite platform to the student to become confident and self-reliant.

2.3.4 How does the institution ensure that the students have effective learning experiences? (Use of modern teaching aids and tools like computers, audio-visuals multi-media, ICT, CAL, Internet and other information/materials)

The use of modern multi-media teaching aids like OHP, Projectors, CD-ROMs and computer systems are usually employed in class room instructions as well as other student learning experiences.

2.3.5 How do the students and faculty keep pace with the recent developments in various subjects?

- \* The students and the faculty keep pace with recent developments in their disciplines by perusing research journals, latest reference books, participating in national seminars / workshops / symposium / summer schools/refreshers courses / internet browsing and interactions with experts.
- \* The students are encouraged to read the magazines, journals, CD-ROM data bases and latest information available on the internet.
- \* The students are encouraged to present papers in seminars on recent developments.
- \* Such interactions are mutually beneficial to the students and the faculty.
- \* Special lectures are organized by outside experts address the students and teachers, which will also help in equipping students and faculty with latest information and talent developments.
- \* Faculty and students attend seminars in the field of subject. It helps in keeping pace with recent developments.
- \* Perusal of Research Journals and review articles.

2.3.6 Are there departmental libraries for the use of faculty and students? If yes, how effectively are they used for the enhancement of teaching and learning?

No, there is no provision of departmental library in the college.

2.3.7 Has the institution introduced evaluation of the teachers by students? If yes, how is the feedback analyzed and implemented for the improvement of teaching?

No, there is no provision for the evaluation of the teachers by students in the institute.

## 2.4 Teacher Quality

2.4.1 How are the members of the faculty selected? Does the College have the required number of qualified and competent teachers to handle all the courses for all departments? If not, how does the College cope with the requirements?

- \* The faculty members in the institute are appointed via three channels; Through Higher Education Commission, Through University and Through Management Committee.

- \* The College has the required number of qualified and competent teachers to handle all the courses for all Departments.

2.4.2 How does the College appoint additional faculty to teach new programmes/modern areas of study (Biotechnology, IT, Bioinformatics etc.)? How many such appointments were made during the last three years?

- \* The College appoints additional faculty as per the norms decided by the University and the Management Committee.

- \* Till now one appointment is made to teach ICT in MSc-I (Chemistry).

2.4.3 What efforts are made by the management for professional development of the faculty (eg: research grants, study leave, deputation to national/international conferences/ seminars, in-service training, organizing national/international conferences etc.)?

- \* All the needy teachers are encouraged to pursue higher studies.

- \* The teachers, whose papers are accepted/invited for oral, poster presentations, are deputed to participate and present their research papers in the national/ international conferences/seminars/ workshops.

- \* Teachers are also deputed for in-service training to gain knowledge about new technologies in emerging areas.

- \* All the Departments are encouraged to organize National/International conferences

**During the last five years, following faculty development programmes were conducted by our College:**

- 10 Seminars
- 11 Guest Lecture
- 22 teachers attended National seminars and 8 teachers attended International Seminars.

\* All the teachers deputed to present papers in conferences with in India..

2.4.4 Give details on the awards/recognitions received by the faculty during last five years?

**None.**

2.4.5 How often does the institution organize training programmes for the faculty in the use of

- a) Computers
- b) Internet
- c) Audio Visual Aids
- d) Computer Aided Package
- e) Material development for CAL, multi-media etc.

\* Yes. Most of the faculty has been trained in use of computer software.

\* The faculty is also trained in effective utilization of audio-visual aids like OHP and DVD-based educational video films in teaching learning process.

\* They are trained in computer application software packages like MS-Word, Access, Excel, PowerPoint etc.

## **2.5 Evaluation Process and Reforms**

2.5.1 How are the evaluation methods communicated to the students and other institutional members?

Evaluation methods are communicated to faculty members through official notice, memos etc. Information about them is published on college websites. Evaluation

methods are communicated to students by the faculty members.

2.5.2 How does the institution monitor the progress of the students and communicate it to the students and their parents?

- \* The College follows both Semester system and Annual exams system for PG programmes and Annual exams system for UG programmes
- \* The College monitors the performance of the students on the basis of continuous internal assessment and Semester and Annual examinations at UG and PG levels.
- \* Thus, the progress of the students is monitored continuously, ensuring performance and improvement.
- Students and their Parents are made aware of their performance in Internal and Annual examinations through their Mark sheets, issued by the college after the final examination.

2.5.3 What is the mechanism for redressal of grievances regarding evaluation?

Redressal of grievances regarding evaluation is dealt at University level.

2.5.4 What are the major evaluation reforms initiated by the institution/affiliating University? How does the Institution ensure effective implementation of these reforms?

- \* As per the new norms introduced by the University, College has introduced modern evaluation reforms involving continuous internal assessment of each student in every semester with 50% weightage.
- \* These evaluation reforms are implemented through continuous internal assessment system comprising components like internal tests, take-home assignments, periodic evaluation of practical and projects in an objective manner.
- \* Also through Project/Dissertation work evaluation.

## 2.6 Best Practices in Teaching-Learning and Evaluation

2.6.1 Detail any significant innovations in teaching/learning/evaluation introduced by the institution?

- \* The following innovative/best practices are followed:
- \* In our College the students of all range of courses undergo project work which help them make direct application of their knowledge/skills to real life problems.
- \* Use of modern teaching aids like OHP, electronic Projectors and internet in learning and evaluation.
- \* National/International journals, Papers and Survey reports are made available in the library for the students.
- \* Results are published within a month of the completion of Summative examinations in each semester.
- \* It is not just book-centered or information collecting education that is offered here. That type of education is like a house of cards, which may crumble in no time.
- \* Round the clock contact with students facilitates and speeds up teaching learning process.
- \* Transparency in admission.
- \* Seminars are organized here and attended by the teachers elsewhere, publication of research papers in the reputed journals, Refresher courses and Orientation Programmes enhance the teaching ability of our staff.
- \* Research caliber is recognized and infrastructure strengthened wherever it demands.
- \* Announcement of the examination dates (both sessional and final) well in advance in the College calendar itself. So that students can plan well for the examination preparation.

# Criterion III: Research, Consultancy and Extension

## 3.1 Promotion of Research

3.1.1 Is there a research committee to facilitate and monitor research? If yes, give details on the activities, major decisions taken (during last year) and composition of the Committee.

College does not have such committee but at the University level there has a statutory body called as Research Development Cell (RDC) with an objective to formulate the research and development activities in the affiliated Colleges for academic progress.

3.1.2 How does the institution promote faculty participation in research? (providing seed money, research grants, leave, other facilities)

- \* Yes, Research is a foremost mandatory activity of the College Departments along with regular teaching. All the Departments are actively engaged in research projects to facilitate manpower, skill and knowledge development, to serve the society in general and for academic excellence in particular. Research scholars register for PhD degree.
- \* The major research projects of the College/Faculty are funded by the University Grant Commission (UGC).
- \* The faculty is regularly deputed to undergo advanced training and collaborate with National or International research laboratories.
- \* All the Departments are encouraged to invite distinguished scientists to their laboratories, for special lectures and for collaborative research.
- \* The College promotes research by providing sabbatical leave facility and also on deputation basis.

- \* The College profile, prospectus of the Departments available in the College Website. It highlight the achievements, expertise, laboratory facilities and future plans to attract active researchers as faculty members and research fellows.
- \* The College sponsors National and International seminars /workshops and training programs which facilitate the interaction with other experts.

3.1.3 Does the institutional budget have a provision for research and development? If yes, give details

There is no separate provision in institutional budget for research and development.

3.1.4 Does the institution promote participation of the students in research in the academic program?

Yes

- \* Through student Project work, MSc/MA dissertation work, PhD thesis work and Research Project work, the students participation is ensured.
- \* Projects are assigned to the students of PG programs
- \* Students of the PG program are assigned with student project. Such students get automatically trained and obtain requisite skills so as to pursue the research activities in the Departments under the major research projects sanctioned to faculty members.
- \* Curriculum also consists of research-oriented topics like seminar and Project work.
- \* Research students are deputed to the National and International seminars, workshops and training programs.

3.1.5 What are the major research facilities developed on the campus?

The major research facilities are developed for the benefit of teachers and student researchers through the following means and source:

- \* College funds.

- \* Major/Minor research projects are funded by agencies namely UGC, ICHR, ICSSR, Rajeev Gandhi fellowship etc..

#### RESEARCH FACILITIES:

- All the Departments have research laboratories. Each research guide / project / special subject has been provided with equipped necessary fixtures.

- The campus has the provision of Bachelors' quarters for the visiting scientists/researchers from India and abroad.

3.1.6 Give details of the initiatives taken by the institution for collaborative research (with national/ foreign Universities/ Research/ Scientific organizations/ Industries/ NGOs)

- \* Yes. The College regulations have a provision to recognize important National laboratories belonging to as collaborating research Centers.

- \* The super-specialized and experienced faculty/scientists from such Laboratories / organizations are recognized as guides or co-guides to supervise the research scholars of this College towards Ph.D. degrees. Such faculty/scientists are also considered as collaborators for implementing interdisciplinary research projects.

- \* Such collaborations provide opportunity for the faculty and the research scholars of this College to utilize the sophisticated experimental facilities which are not available in the College.

- \* The expertise of such faculty/scientists is utilized for planning and development of modern laboratory facilities in the College.

- \* Their services are also utilized to deliver special lectures in front-line research areas and for demonstration of new concepts experimentally so as to motivate our research scholars and faculty members regularly. Such interactions help our faculty members to prepare and submit new, viable research proposals to various funding agencies as they are extremely important to solve technological problems in industries, and to develop new

technologies which contribute for the regional and National development. Such interdisciplinary research projects also help to develop global competencies in our students.

### 3.2 Research and Publication Output

3.2.1 Give details of the research guides and research students of the institution (Number of students registered for Ph.D. and M.phil., fellowship, funding agency, Ph.D.s and M.phil.s awarded during the last five years, major achievements, etc.)

The College has 57 research students currently registered under PhD program. Details are as below.

3.2.2 Give details of the following

a) Departments recognized as research centers

**All the Departments in the college are recognized as Research Centers**

b) Faculty recognized as research guides

**All the Faculty members excluding tutors in the college are recognized as Research Guides**

c) Priority areas for research

**Priority areas are different for different departments**

d) Ongoing Faculty Research Projects (minor and major projects, funding from the Government, UGC, DST, CSIR, AICTE, Industry, NGO or International agencies)

**There is NO ongoing major/minor project in the college**

3.2.3 What are the major achievements of the research activities of the institution (findings contributed to subject knowledge, to the Industry needs, community development, patents etc.)?

- \* Draft resolutions/proposals moved by the members of various committees.

A few examples of the anticipation of public concerns by the College are as follows:

- \* Thrust on ICT enabled training to students as a part of their curricula.
- \* Academic calendar.

7.3.6 How does the institution promote social responsibilities and citizenship roles among the students? Does it have any exclusive program for the same?

The College gives priority to promote social responsibilities and citizenship roles among the students through co-curricular and extracurricular programs.

- \* It arranges special lectures by experts, interface meetings, awareness programs, and celebration of national days/ festivals, programs to promote scientific temper, value education, patriotism, national integration, social service, and community orientation.
- \* In all range of courses curriculum contains all-round personality development, value based education and social responsibilities.
- \* Our College conducts NCC/NSS camps for social services.
- \* The College conducts programs on Independence Day, Republic Day, and Gandhi Jayanti.
- \* The students of the departments are trained and encouraged to organize, conduct and participate these programs and functions. Thus, team work, leadership, co-operation, social commitment and duties are emphasized.

Apart from these regular programs the teachers while teaching their subjects emphasis related social commitment and involvement.

7.3.7 What are the institutional efforts to bring in community-orientation in its

activities?

**Community orientation in College activities are as follows:**

- Research areas and projects leading to PhD, Research projects, student projects having community related thrust.
- Field studies, surveys and research projects having community orientation.
- Response to local traditions and customs.
- Creation of awareness and scientific rationale about blind beliefs, blind faiths dogmas, negative traditions, hygiene/health and sustainable development.

Thus, there is definite overall community orientation in academic, extension, research administration and related activities.

7.3.8 How does the institution actively support and strengthen the neighborhood communities? How does the College identify community needs and determine areas of emphasis for organizational involvement and support? How do the faculty and students contribute in these activities?

The points mentioned at 7.3.7 regarding institutional efforts on community orientation in its activities hold good for extending active support and strengthen the neighborhood. Apart from them, following are the institutional efforts in identifying the community needs and extend organisational support, faculty student support and contributions.

\* College identifies community based on

- Stakeholders invited for the participation in College activities.
- The College/Department directly or indirectly approaches the

stakeholders for the needs, involvement and support.

- Involvement and support in the fields of research, academics extension, outreach activities.
- Faculty involve themselves as resource persons, experts, researchers, academic consultants, liaison officers.
- Students (Research and PG) are involved in field work, awareness activity, survey, volunteers, facilitators, enablers, tutors.

7.3.9 Describe how the institution determines student satisfaction, relative to academic benchmarks? Does the institution update the approach in view of the current and future educational needs and challenges?

The academic bench marks created to determine the student satisfaction are as follows:

- \* Wide publicity of College (UG, PG, Research, Career Oriented Programs) programs, facilities, qualified faculty, calendar, financial aspects, support service, academic ambience, career guidance – placement, inclusiveness, public perception and recognition, academic output and relationship with stakeholders.
- \* College Website, notifications, promotional activities, department profiles/ brochures/newsletters, print and electronic media.
- \* Need based restructured value added courses.
- \* Transparency, access, equity, social justice, relevance.

- Open admission process, Affordability.
- Academic Flexibility, wide program options. Relevant, updated, need based curricula.
- Effective pedagogy, ICT enabled courses and Learner Centric Approach.
- Continuous internal assessment, transparent evaluation system, scope for challenge /revaluation.
- Calendar of academic events, curricular and extracurricular events.
- Vast campus of 10 acres.
- Good infrastructural facilities – class rooms, laboratories, sports fields, and basic amenities.
- Well Equipped Library.
- Good leadership, governance and grievance redressal mechanism.
- Mobilization of financial resources for research, infrastructure, support service, student / faculty development and incentives.
- Career guidance, HRD and placement.
- Academic, social and living ambience.
- Inclusive practices of all stakeholders.
- Humane and cordial relationship.

- Stakeholders' satisfaction and delight.
- Constant reference to national policies and global developments.

Based on these bench marks, the satisfaction of students is measured informally and formally through their feedback and suggestions, The institution updates bench marks as well its approaches from time to time.

### 7.3.10 How does the institution build relationships

- to attract and retain students
- to enhance students' performance and
- to meet their expectations of learning

To achieve the above, strategies are as follows:

- Recognized courses and wide publicity on courses, range of course of options, subject options at UG, PG level.
- Quality teaching, research support, financial assistance to research scholars, hostels, security, discipline.
- Good calendar of events.
- Transparent admission, regular TLE process.
- Learner centric approaches and continuous internal evaluation.
- Teachers' personnel care on students' problems and issues.

- Scope for progression to Research.
- Transparent examination system, Good results, availability of certificates on time.
- Good learning resources and student support, career guidance, ICT enabled learning.
- Encouragement to capacity building, Global competencies, communication and skills, soft skills, self-esteem, team building and becoming employable.
- Good academic ambience.
- Effective grievance redressal cell.
- Periodical alumni and parent meeting.

7.3.11 What is the institution's complaint management process? How does the institution ensure that these complaints are resolved and promptly and effectively? How are complaints aggregated and analyzed for use in the improvement of the organization, and for better stakeholder-relationship and satisfaction?

The College has **formal complaint management process** and following are the steps taken for the resolution of a complaint.

- Receipt of written complaint
- Administrative follow-up based on rule position and precedents and case studies.
- Based on the serious nature of complaints, setting up of Enquiry Committee of officers of the College or in case of any prima fascia, referring the complaint to

Board of Management, sub-committee, Enquiry Committee, for resolving the issue.

- Grievance redressal cell (for students, teachers/employee) functioning regularly.
- Good liaison, public relation exercises cordial relations, transparency and personal attentions ensure lesser complaints.
- All the statutory officers and teachers give audience to the needy through prescribed visiting hours every day.
- Timely and systematic execution of the daily routine leads to the value of punctuality and discipline.
- **The Value of Sacrifice and Dedication.** Any work assigned to them either in Curriculum or *Gurukulam* is performed with all devotion and dedication by the students. Major activities are totally taken care by a group of dedicated students, thus imbibing the value of dedication and devotion.
- **The Value of Hard Work.** An idle mind is a devil's workshop. In *Gurukula* the ward is always energetic and engaged in activities which will not give any room for dullness. Hence here the hard work alone pays fruits. Thus, the value of hard work is imbibed.
- **The Value of Simplicity** is imbibed through his life in the College where he leads a simple life for a high thinking. Community living in a cloakroom, using simple that too dhotis and shirts for wearing, squatting on the floor for both prayer and dining, consuming enriched simple food, lying on the floors without cots using the classrooms for their study hours, wearing or using costly items are totally discouraged inside the campus.
- Everyday students in the prayer chant the mantras like '*Matru devo bhava, Pitru devo Bhava, Acharya Devo Bhava, Satyam vadha, Dharmam chara*'.

Further they will be prostrating before their parents and get their blessings before they leave for College. This inculcates the value of respecting parents for ever.
